Government Administration and Elections Committee

I am writing to the Committee to express my support for the various resolutions which would permit early voting in Connecticut. As a working mom, I know how difficult it can be to get to the polls on election days. While I try to vote in every election, it is often difficult to fit that into my schedule. For my husband, who commute to NYC each day, it is exceptionally difficult.

I believe that we should do everything we can to encourage and enable voters to participate in our democracy. Will you please support these important pro-voter measures?

Thank you for your time and consideration.

Sincerely,

Ms. Karen Allison
